

# Google AI for Education Accelerator

## Join us for a webinar

### An Exclusive Session with NotebookLM Co-Founder Steven Johnson and NYU Leadership

Join us on February 26 for a deep dive into the future of academic innovation. We're kicking off 2026 with an exclusive look at NotebookLM. You'll hear from co-founder Steven Johnson on the founding vision, followed by a live demo of the tool's newest features. Discover how NYU leaders Clay Shirky and De Angela L. Duff are using NotebookLM to drive measurable impact for faculty and students.

**Steven Johnson**

Co-founder and Editorial  
Director, NotebookLM

**Clay Shirky**

Vice Provost for AI and  
Technology in Education, NYU

**De Angela L. Duff**

Associate Vice Provost, NYU

We invite all faculty members to join
